RE: 2023 Workforce Diversity Metrics Data Accuracy Assurance for Cheniere Energy

We reviewed Cheniere Energy's 2023 Workforce Diversity Metrics Data. Based on the workforce data information provided, all numbers match the employee demographics charts and tables report.

The procedures we performed were based on our professional judgment. We performed tests of mathematical accuracy of computations.

Based on our review, we are not aware of any material modifications necessary to the report.

RE: 2023 EEO-1 Report Accuracy Assurance for Cheniere Energy

We reviewed Cheniere Energy's 2023 Consolidated EEO-1 Report. Based on the workforce data information provided, all numbers matched the certified report.

The procedures we performed were based on our professional judgment. We performed tests of mathematical accuracy of computations.

Based on our review, we are not aware of any material modifications necessary to the reports.
